We specialise in the development of VR technology solutions, including applications and products. As a new company, we have a lot of work to do to achieve our vision and our investors expect that from us. We are currently in early stage of development. We will continue to build our R&D teams, expand our internal and external capabilities and research for the best VR and AR products. With two years of VR experience and a team of over 30 professionals, we are dedicated to . What we are working on - is a heads up display for VR helmets. Oculus Rift, HTC Vive or similar high quality VR hardware. We believe our solution will effectively remove the dependency on thick headsets (e.g. Google cardboard). Please feel free to contact us to learn more about the project. Don't let Japan be the only country to find out about the bullet hell game. Play Fuzion Frenzy Now! \$3.99 per month or \$29.99 per year Choose from five different style dungeons, and fight your way through four-player waves of killer robots! An innovative battle system that's easy to pick up, but difficult to master! Play as a four-player team, or enjoy the single-player mode! Fuzion Frenzy is a game for all skill levels. All of our games are "unlockable" — meaning every time you buy a game, you'll get five new lives — so you can try different strategies and keep on playing until you find one that works! Fuzion Frenzy is optimized for the Oculus Rift and HTC Vive Virtual Reality systems. With more than 35 achievements, challenging gameplay, and a slew of different game modes, Fuzion Frenzy will make you a shooter fan for life! • Fight your way through four-player waves of killer robots! • Two four-player game modes with unique gameplay, including Survival (head-to-head with the AI) and Time Attack (leave your opponents in the dust!) • Enter and play the game on four different worlds – from the lush, lush Japanese Grasslands to the snowy craggy landscapes of Antarctica • Survival mode is easy to pick up, but hard to master! • Fuzion Frenzy uses a
