Customer Testimonials

"I had a great experience with GTW. The sales rep was very helpful and professional. My sales engineer was on-site when I purchased the machine and provided great customer service. I can definitely

recommend this company and their products to anyone in need of a specialty press. Thanks " "I purchased my press from GTW about 10 years ago and I still use it on a daily basis. The customer service has been great and they still don't charge me for any

service. They just keep on improving the machine with new features and upgrades. "

"After hearing so many horror stories of the GTW Warranty, I took a chance. They were right and it has been worth the gamble. I've been told that the press is more than a match for the

Miimo PI press but would never buy from another manufacturer in the future. " "I have had the GTW press for 20 years. I've never had any problems with it. I just like to keep it upgraded and it still runs like a charm. I am not sure I could run without it." "I am very happy with my

GTW printing press. The quality of printing is excellent. The customer service from GTW is outstanding. They always answer my questions promptly and promptly when problems occur. I recommend it to anyone looking for a high quality printing press. " "I have an GTW-A to use for our

custom printing business. It's a great piece of equipment. I highly recommend it to anyone who is looking for a good quality printing press. I like that the heat can be turned off, or even put in another position, to avoid overheating.

by daliba This will be the
2nd and final post of the
day. Tomorrow I leave
for the Georgia coast. All
things considered, it
could not have been a
better day. I was up at 6
am so I could take the
trip this morning. While
out of town, I saw storm
clouds forming and was

hoping we would see some precipitation, but no, that was not in store. Nevertheless, I am thankful for a beautiful day after a great spring in upstate New York, and getting to enjoy it with my wife.

Congratulations to the following winners: Each of you has been awarded
