The U.S. Air Force's ongoing competition to field a fifth-generation fighter for the Joint Strike Fighter program is in the critical phase of testing and development, and is expected to run through the end of this decade. Earlier this year, the service selected Lockheed Martin as the winner of the \$12 billion contract to produce an initial batch of 162 F-35s, and the company has an aggressive schedule to deliver the initial fighter before 2018 to avoid missing out on the competition with the new generation of fighter.Q: Filtering entries in Datalist I have to lists, where one element of each list is part of another, for example: List 1: 1 2 3 4 List 2: 5 6 7 8 When I press a Button in my page, I'll want to filter the List
